

Konica Minolta gives MFPs all the productivity you need: faster output, superior quality and seamless software integration to optimize your workflow. Our bizhub 754e makes operation easy, intelligent and intuitive with a bright 9" color touchscreen and familiar drag, drop, pinch and toggle controls – just like using a tablet. You'll have fast 75 ppm print/copy output, Simitri<sup>®</sup> toner for high-resolution B&W prints, plus color scanning to bring any original into your workflow. Exclusive bEST (bizhub Extended Solution Technology) design lets you operate industry-standard software from your bizhub control panel with "solutions at the machine" convenience – managing documents, scanning and routing, recovering costs, authenticating users and more. You'll also have all the options you need for scalable, right-size cost-efficiency – including multiple i-Options, security enhancements and 3rd-party solutions to customize a system that's right for general business as well as specialized applications like healthcare, education, legal and more.

## WORKFLOW SOLUTIONS AS CLOSE AS YOUR BIZHUB SCREEN

The bizhub 754e proudly joins the bizhub family named 2013 A3 MFP Product Line of the Year by Buyers Laboratory LLC.
